PRACTICAL PHARMACY EDITION

INDEX TO VOLUME X

JANUARY TO DECEMBER, 1949

INDEX TO SUBJECTS

A

Accepted Dental Remedies, *see* American Dental Association
ac-Globulin, defined, 241
Acetest reagent tablets, available, 753
Adsorgan, source of, 237
Aerosol therapy, discussed, 88
Alabama Polytechnic Institute, A. Ph. A. branch, 233, 617
Albany College of Pharmacy, A. Ph. A. branch, 742
Aleudrin, use and availability of, 365
Alidase, 390
Alkaspasmol, 390
Alpha Tocopherol, 648
Altepose, 6
Aluminum Collapsible Tubes, discussed, 34
Alzinox magmas, 710
Amberlite, source of, 382
Amebacide, source of, 750
American Association of Colleges of Pharmacy
Meetings at Jacksonville, reviewed, 286, 293
Meetings scheduled at 1949 A. Ph. A. Convention, 160
Officers of, 1949–50, 383
American College of Apothecaries
Convention program, 165
Meetings at Jacksonville, reviewed, 286, 293
Officers of, 1949–50, 383
Robertson succeeds Wilson as head, 483
American Council on Pharmaceutical Education, change in accreditation standards, etc., 155
American Dental Association
Dental care, new method questioned, 213
Reports number of dentists in U. S. increasing, 694
American Dental Association, Council on Dental Therapeutics
Endodontia, drug therapy in, 557
Products accepted, 42, 110, 156, 317, 440, 505, 557, 632, 680
Products accepted, classified
Accepted for clinical trial, 680
Anesthetics-local, 42, 317, 557
Antibiotics and antiseptics, 42, 317, 440, 505, 557, 680
Astringents, hemostatics and vasoconstrictors, 42, 317, 440
Barbiturates, 557
Fluorine-containing substances, 110, 557
Mercury preparations, 505
Nutritional factors, 42
Oxidizing agents, 505
Phenetidine, aminopyrine, acetanilid and salicyl compounds, 680
Phenolic compounds, 440
Quaternary ammonium compounds, 317, 440
Products not accepted, 749
Sodium fluoride, formulation and packaging of aqueous solutions of, for topical application, 110
Sodium fluoride, miscellaneous therapeutic applications in dentistry, 440
Tooth powders licensed by University of Illinois Foundation, 632
American Heart Association, joint project with Public Health Service and A. Ph. A., discussed, 529, 530
American Medical Association
Council on Pharmacy and Chemistry
Actions taken on
ACS Serum, 190
Antibiotics, newer, status of, 190
Antihistaminic preparations, 190
Chlorguanide hydrochloride dosages, status of, 190
Estrogenic preparations, 190
Mineral oil, emulsified, 190
Penicillin, "over-the-counter" sale of, 190
Plasma and serum, ultraviolet irradiation of, 190
Sulfonamide compounds, status of, 190
Vaccine, typhoid and paratyphoid combined, 190
Generic designations adopted recently
Isopentaquine oxalate, 128
Isopropylarterenol hydrochloride, 628
Isopropylarterenol sulfate, 628
Mercaptomerin sodium, 628
Pentylenetetrazole, 636
Primaquine, 628
Visamin, 128
New and Nonofficial Remedies, book review, 626
Products accepted
Aminopeptodrate, 366
Aureomycin hydrochloride, capsules, and solution, Lederle, 751
Bio-Sorb, powder, Ethicon, 447
Bismuth sodium triglycollamate, 44
Bistrimate tablets, Carroll Dunham Smith, 44
Caminoids, Arlington, 366
Choline chloride oral solution, Abbott, 694
Desenex, powder and ointment, Wallace & Tiernan, 368
Desoxycorticosterone acetate, U.S.P., 447
Desoxyn hydrochloride, elixir, solution and tablets, Abbott, 107
Dihydrocodeinone bitartrate, 44
Diothane-Merrell (ointment), Merrell, 107
Diperodon, 107
Doca Acetate, solution, Organon, 447
d-Tubocurarine chloride, solution, Abbott, Squibb, 46, 64
Dusting powder, starch-derivative, 447
Estradiol benzoate U.S.P., 692
Estradiol dipropionate, 693
Estradiol U. S. P., 692
Furmethide iodide, solution and tablets, Smith, Kline & French, 693
Furtrethonium iodide, 693
Glucophylline, solution and tablets, Abbott, 191
Glynazan powder, elixir, syrup, tablets, First Texas Chemical, 367
Glytheonate powder, suppositories, tablets, Patch, 367
Hycodan bitartrate, powder, syrup, and tablets, Endo, 44
Ivoko Poison Ivy-Poison Oak Extract, Pitman-Moore, 107
Konsyl, powder, Burton, Parsons, 628
Mer-Diazine and Liquoid Mer-Diazine, McNeil, 367
Methamphetamine hydrochloride, 107
Methapyrilene hydrochloride, 502
Mucin-aluminum hydroxide-magnesium tricilicate, 366
Mucotin, tablets, Harrower, 366
Neohetramine hydrochloride, syrup and tablets, Wyeth, 368
Norodin hydrochloride, powder and tablets, Endo, 107
Ovocylin benzoate solution, Ciba, 692
Ovocylin, tablets and suppositories, Ciba, 692
Ovocylin dipropionate solution, Ciba, 693
Phenylpropylmethylamine hydrochloride, 628
Plantago ovata concentrate, 628
Poison Ivy-Poison Oak Extract, 107
Rocky Mountain Spotted Fever Vaccine, Squibb, 44
Sodium folate, 366
Sodium folate solution, Kremers-Urban, 367
Sodium Folvite-Lederle solution, 366
Sodium sulfate, U. S. P., 502
Sodium sulfate isotonic solution, Baxter, 502
Sulfadiazine-sulfamerazine combined, 367
Synophylate powder, suppositories, syrup, tablets, Central Pharmacal, 367
Thenylene hydrochloride, tablets, Abbott, 502
Theoglycinate powder, suppositories, syrup, tablets, Brayten, 367
Theophylline-methylglucamine, 191
Theophylline-sodium glycinate, 367
Thonzylamine hydrochloride, 368
Vaccine, rabies, Pitman-Moore, Squibb, 244
Vonedrine hydrochloride, solution, Merrell, 628
Zincundecate, 368
Protein and Amino Acid Preparations, report on status of, 104
Too Many Drugs?—a report, 244
Withdraws acceptance of sulfathiazole and sulfathiazole sodium, 617
Policy of action on 12-point program, 219
Position re voluntary health plans, views recast, 417
12-point medical care program described at A. Ph. A. Convention by Dr. Slaughter, 287
12-point program for advancement of medicine and public health, discussed, 218
American Pharmaceutical Association
Affiliated organizations, officers of, 1949–50, 383
A year of progress reviewed, 736
Branch reports, 56, 120, 176, 232, 306, 369, 438, 617, 682, 742
Committee of Six, members listed and proposals of, 166
Compulsory national health insurance, statement of position of A. Ph. A. with respect to, 294
Constitution, proposed amendments to, 166
Constitution revised, effective June 1, 1950, 289
1949 Convention
Accomplishments, 272
Address of President-elect, 342
Affiliated organizations, report of meetings, 293
Attendance urged by Governor of Florida, 211
Awards, 288 and 289
Entertainment program, 293
President Little's Address, 274
Program
American College of Apothecaries, 165
American Society of Hospital Pharmacists, 165
Conference of Pharmaceutical Association Secretaries, 165
Practical Pharmacy Section, 163
Scientific Section, 161
Section on Education and Legislation, 164
Section on Historical Pharmacy and American Institute on History of Pharmacy, 164
Section on Pharmaceutical Economics, 164
Resolutions and Recommendations acted upon, 470
Resolutions, discussed, 272
Section meetings, report on, 290
1950 Convention
Plans for, 401; November cover; 658; 741
Council members in attendance at San Francisco convention, 92
Education and Legislation Section, officers of, 1949–50, 383
First vice-president, 1949–50, 419
Headquarters, new visitors to, 23

Historical Pharmacy Section, officers of, 1949–50, 383
House of Delegates
Chairman 1948–49, Bert R. Mull, 289
Chairman 1949–50, R. Q. Richards, 289, 609
Report on sessions, 289
Joint project with P.H.S. and A.H.A., discussed, 529, 530
Members deceased, 182, 254, 318, 378, 444, 501, 565, 638, 702, 753
Mission to Japan
Findings and recommendations of, 619
Praised by Japanese pharmacy leader, 733
Purpose and personnel of, 437
Returns to U.S., 496
New members, 63, 127, 182, 254, 318, 378, 443, 501, 565, 638, 702, 752
Officers-elect, 1949–50, 29
Officers-elect, 1950–51, 535
Officers nominated for 1950–51 term, 292
Pharmaceutical Economics Section, officers of, 1949–50, 383
Practical Pharmacy Section, officers of, 1949–50, 383
President Little's New Year Message, 16
Scientific Section, officers of, 1949–50, 383
Second vice-president, 1948–49, 100
Second vice-president, 1949–50, 576
Section officers, 1949–50, 383
Sixth joint conference of A. Ph. A. Council and N. A. R. D. executive committee, 36
Sponsors exhibit with A. S. H. P., 677
American Pharmaceutical Manufacturers Association
1949 annual meeting of, 482
1949 convention of, 748
1949 research award presented, 482
American Society of Hospital Pharmacists
Convention program, 1949, 165
Jacksonville meetings, report on, 293
Officers-elect, 1950–51, 615
Officers of, 1949–50, 383
Sponsors exhibit with A. Ph. A., 677
American Standards Association, annual meeting, 537
Ames selftester, available, 584
Ammoniated mercury-salicylic acid incompatibility, discussed, 568
Amnestrogen, 262
Amotrocin, 710
Aniline dyes, 433
Antabus, use and availability of, 313, 504
Antibason, 6
Antihemophilic Globulin, 6
Antihistaminic drugs in common cold therapy, 613
Antimalarial drugs, summary of, 552
Antistine-Privine, 582
Aquasperse A and D, 326
Arizona, University of, A. Ph. A. branch, 683
Army Medical Service Corps names assistant chiefs, 238
Aromatic Elixir, discussed, 102
Artane for Parkinsonism, report on, 669
Artane Trihexyphenidyl tablets, 518
Ascor-Rutin, 6
Association news, 60, 122, 186, 246, 308, 371, 434, 510, 570, 625, 684, 744
Atabrine, also *see* quinacrine
Atabrine, proper dosage and administration of, 632
Atomic Energy Commission
Approves Eleven Research Proposals in Medicine, 735
How to sell to, 735
Issues medical progress report, 666
Aureomycin
Discussed, 168
New drug, 24, 48
Results from use of, 433
Aureomycin hydrochloride, 262, 710, 751
Aureomycin ointment, 454
Aureomycin troches, 454

B

Bacidrin, 134
Bacitracin, in treatment of skin conditions, 618
Bacitracin troches, 454
Baci-troche, 710
Baltimore A.Ph.A. branch, 743
Barbiturates with ipecac, availability of, 312
Beal, Mrs. James H., death of, 231
Beck's Bismuth Paste, 52
Becomvite, 326
Bemidone, subject to narcotic regulations, 623
Benadryl, viper venom antidote, 241
Benadryl, with sulfamethazine, 549
Benylin expectorant, 6
Benzedrex inhaler, 456, 518
Benzodioxane, source of, 750
Benzyl succinate, source of, 234
Berubigen, 454
Beryllium, action in body, 690
Betalin 12 Crystalline, 648
Bevidox, 638
Bextral-B_{12} Central, 454
Bilogen, 582
Biocytin discovered, 677
Bi-Pen, 262
Black hairy tongue from penicillin, 680
"Blakiston's New Gould Medical Dictionary," book review, 626
Blood Group Specific Substances A and B, 6
Blood sugar screening test kit, available, 753
Blue Cross Plan
Discussed, 220
Popularity of, 680
Bohrer, Charles R., death of, 307
Book Reviews, 626
Botany, 1949 review of, 736
Bottles, spray-top, availability of, 561
Branch Reports, A. Ph A., *see* American Pharmaceutica Association
Briefly Noted, 60, 122, 186, 246, 308, 370, 434, 509, 570, 624, 684, 744
British National Health Service
Complaints under, 154
Cost of drugs, 151
Cost of services, 151
Doctors and dentists under, 153
Future of, 154
How paid for, 151
Number of participants in, 151
Payment of accounts under, 152
Prescription practice under, 152
Proprietary medicines, prescription of, 152
Role of pharmacist under, 151
Brooklyn College of Pharmacy, A. Ph. A. branch, 120, 742
Buffalo, University of, A. Ph. A. branch, 56, 121, 232, 438, 683, 743
Butabarbital sodium, 305

C

Cafergone, 262
Calamine lotion, should not the official formula be revised?, 352
Calciferol, 262
Calcium succinate, source of, 234
California requirements for licensed pharmacists, 569
Cancer
Breast, discussion of, 43
Environmental, discussion of, 361
Increasing hazards of, 112
Lung, discussion of, 310
Of female reproductive system, discussion of, 242
Of the lower bowel, discussion of, 101
Skin, discussion of, 173
Smear test for, developed, 747
Suspecting, cardinal signs and symptoms, 432
Caparside Sodium, 326
Carbamide, recent experiments with, 240
"Carbowax" compounds in pharmacy, discussed, 30
Carmethose, 454
Castrix, availability and source of, 116, 237
Caubren Compound, 648
CB-11, subject to narcotic regulations, 623
Celloidin, source of information on, 382
Cellophane sealer, where obtainable, 174
Cellulose, sodium carboxymethyl, uses and source of, 235
Cetyl alcohol, source of, 234
Cetyl alcohol combinations as suspending agents in lotions, discussed, 430
Challenge to the Medical Services, discussed, 670
Chemical industries exposition to be held, 537
Chemistry and Physics
1949 review of, 736
Chicago A. Ph. A. branch, 233, 682, 743
Chlorguanide, as an antimalarial, discussed, 555
Chloromycetin, 326
Chlorophyll, converted, 495
Chlorophyll products, availability of, 175
Chlorophyll tooth paste, 433
Chloroquine
As an antimalarial, discussed, 495, 554
Source of, 630
Chlorothen, 390
Chlor-Trimeton Maleate, 518
Cholan HMB, with phenobarbital, 648
Cholecysmon, availability of, 52
Christianson, Theodore, tribute to, 87
Chymotrypsin, ineffective against cancer, 495
Cicoline, 582
Cincinnati A. Ph. A. branch, 233, 306, 617
Civil Defense
Individual responsibility in, 23
Medical and health services in, 21
Pharmacist in, 20
Pharmacy in, 22
Plans for organization in, 22
Regional supply depots in, 22
Cloudiness in liquid petrolatum sprays, discussed, 228
Coal tar, synthetic compared with crude product, 239
Cobenzil, 710
Cobione, 198
Coccidiomycin antigen, availability of, 504
Cogenat, 454
Cold wave process found safe, 689
College news, 60, 122, 186, 246, 308, 370, 435, 509, 545, 624, 684, 744
Colleges of Pharmacy new faculty assignments and deanships, 545
Columbia University, A. Ph. A. branch, 177, 307
Combined Pharmaceutical Contact Committee, 25th anniversary of, 657

Commission on Professional Manpower for Pharmacy
Organization meeting scheduled, 665, 666
Organization of, 726
Common cold, chemical test for, 221
Common cold therapy, antihistaminic drugs in, 613
Compound E, *see* Cortisone
Conference of Pharmaceutical Association Secretaries, *see* National Conference of State Pharmaceutical Association Secretaries
Name changed, 289
Program, 1949 convention, 165
Convention
A. Ph. A., 1949
Accomplishments, 272
Address of president-elect, 342
Affiliated organizations, report of meetings, 293
Amendments to A. Ph. A. Constitution to be voted on, 166
Entertainment program, 293
Highlights of, 286
Medical care programs, discussed, 287
Notice re papers for section meetings, 23, 74
Plans for, 158
Preliminary program, 84
President Little's Address, 274
Program outlined, 165
Reservations for, 113, 128, 160, 211
Resolutions and Recommendations acted upon, 470
Resolutions, discussed, 272
Section meetings, report on, 290
Welcome from Mayor Whitehead, 85
A. Ph. A., 1950, plans for, 401; November cover; 658
Cooper mortar and pestle, where obtainable, 632
Coricidin, 648, 688
Cortate buccal tablets, 198
Cortisone, new source of, 537
Cortisone (Compound E) to be allocated for arthritis, 508
C. P. H. (Cutter Protein Hydrolysate), 390
Cremotres-A, 134
Crysticillin, Squibb trade-mark, 52
Curare, use of, 549

D

Dalyde, Hynson, Westcott and Dunning, Inc., 116
Darbaker, Leasure Kline, death of, 185
Dasikon, 710
DDT, source of information on, 364
Deionized water, as substitute for distilled water, 234
Delgado, Frank A., in Philippines, 347
Dental care, new method questioned by A. D. A., 213
Dental health habits of American people, 240
Desoxycorticosterone Acetate, 518
DFP, source of, 237
Diabetic Persons, sugar-free and non-glycogenetic preparations for use by, 296
Diabetics, life expectancy, 112
Diazine-Citrate tablets, 262
Dibenamine hydrochloride, use and source of, 116
Dibromosalicylaldehyde, source of, 116
Dicumarol, in treatment of heart disease, 534
Diets for older people, pamphlet on, 313
Diffusin, 582, 650
Dihydrostreptomycin, 72, 264
Di-isopropyl-fluorophosphate, source of, 237
Diphentoin, 264
"Distributive Education," discussed, 40
Diurnal, 650
Drake University, A. Ph. A. branch, 682, 742
Dramamine
May relieve nausea in pregnancy, 618
Source of, 198
Story of, 240
Drodeine, 582
Drugs, professional information on, available to pharmacists, 732
Duodenum, source of, 382
Duomycin hydrochloride, 8
Duozine dulcet tablets, 72
Duquesne University, A. Ph. A. branch, 121
Dye, Clair A., death of, 677

E

Ear drops, of streptomycin, 234
Ebert Prize 1949, awarded to Robertson Pratt, 287 and 288
Elliott, Edward C., addresses A. Ph. A. Convention, 288, 291
Endodontia, drug therapy in, discussed, 557
Eskacillin, 134
Estradiol benzoate, 454
Estrogenic substances, source of, in bulk, 365
Eurax cream, 712

F

Faculty assignments and deanships, announced by pharmacy schools, 545
Fair trade data distributed, 735
Federal Food, Drug and Cosmetic Law Problems, conference committee on, meets with FDA officials, 536
Federal narcotic regulations, over seven more synthetic drugs, 623
Feldman's Solution No. 2, preparation of, 688
Feroma, 582
Ferrocalcium, ampuls of, source of, 689
Finland, pharmacy in, 546
Fischelis, Robert P.
Stresses pharmacy's role as health education center, 679
Tennessee graduates hear, 108
Florida, University of, A. Ph. A. branch, 369
Floropryl, 390
Fluid solubles vs. official standards, 362
Fordham University, A. Ph. A. branch, 58, 438
Francke, Don E.
Receives U. S. P. H. S. commission as pharmacist, 677
Recipient of 1948 J. Leon Lascoff Memorial Award, 287 and 288
Frogs, South African, availability of, 505
Fungicidal preparation, source of, 750
Fungi-treat, 712

G

G-11, *see* Hexachlorophene
Gantrisin, 650; formula for, 630; also *see* NU-445
Gelfoam tumor diagnosis kit, 456
Gentisic acid, availability of, 364
Georgia, University of, A. Ph. A. branch, 120, 177, 307, 369, 742
Germany, pharmacists on mission to, 354
Glutamic Acid, use for mentally retarded patients not convincing, 50
Gossypol, use of, 312
Gottlieb solutions, preparations of, 630
Graminasin, 72
Gramoderm, 72
Gramozets, 72
Griffiths, Fred J., death of, 181

H

Hammer, Joseph J., death of, 360
Hancock, James E., death of, 360
Hank, Alice Hayman, death of, 497

are you increasing your sales volume on

MANDELAMINE?

REG. U. S. PAT. OFF.

WE ARE!

The volume of prescriptions for MANDELAMINE* is growing daily. Are you sharing in this expansion? If not, try telling the physicians in your trading area that you can fill prescriptions for MANDELAMINE without delay, because you always keep ample stocks of this dependable, Council-accepted urinary antiseptic on hand. Remind your physician friends of the six advantages of MANDELAMINE—and watch your profitable prescription volume on this item grow!

Order MANDELAMINE from your regular wholesaler.

6 OUTSTANDING FEATURES

1. Wide antibacterial range
2. No supplementary acidification required (except when urea-splitting organisms occur)
3. Little or no danger of drug-fastness
4. Exceptionally well tolerated
5. No dietary or fluid regulation
6. Simplicity of regimen—3 or 4 tablets t.i.d.
